

Sony Ericsson z300 Battery Replacement

Replace a dead or dying battery to regain usability of your phone.

Written By: Alex Serventi

INTRODUCTION

This guide will show you how to remove and replace your phones battery. You will only need your hands and replacement battery for this operation.

Step 1 — Back Phone Cover

- To remove the back cover, use your thumb to press down on the center of case and slide it off.

Step 2 — Battery

- Using a fingernail lift the battery out of the phone.

From here you can insert your new batter and slide the back cover into place.
